Thomas Ix focuses his practice on mergers and acquisitions, joint ventures, contract negotiations and general corporate matters. Tom has extensive experience in middle-market mergers, stock acquisitions, and asset purchases and sales. He represents clients in a variety of industry sectors, including manufacturing, telecommunications, plastic packaging, recycling, outdoor advertising, media and specialty chemicals.

## RESULTS

Tom has represented:

- Steen Outdoor, one of the largest owners of billboards in the Philadelphia area, in the sale of more than 460 billboards to Lamar Advertising
- a platform company of a national finance company in connection with the acquisitions of manufacturers and distributors of cabinets and stone countertops for single family and multifamily residential developers and contractors
- AudioMicro, an administrator of the rights of third party digital media, music and video content creators, in the sale of its business to AVL Digital Group
- MFP Strategies, a regional advisory firm providing investment advisory services for private clients, institutions and retirement plans with \$5 billion of assets under advisement, to CapTrust Financial Advisors
- Fiber-Line, a manufacturer of high-performance fibers, including fiber optic cables and other composite fibers, in its sale to a private equity investor
- rePlanet in the acquisition of one of the largest recyclers of plastic and glass beverage containers in California
- Wissahickon Spring Water, a regional bottled water company, in the sale of its business to a worldwide supplier of bottled water
- Para-Chem Southern, a specialty chemical and adhesives company, in the sale of its assets to a private equity investor
- Peninsula Packaging, a manufacturer of food packaging products, in its sale to a private equity investor
- Elite Sportswear, a global leader in the gymnastics and cheerleading apparel industries, in a sale of a controlling interest in its business
