[jjones@stradley.com](mailto:jjones@stradley.com)

Jason Jones is engaged in the practice of business law, with particular emphasis on mergers and acquisitions of middle-market businesses; organizing and structuring corporations, limited liability companies and other business entities; and drafting and negotiating shareholders' agreements and business contracts. His experience includes advising clients with respect to cross-border transactions, the private placement of securities, and the liquidation and dissolution of corporations and other business entities.

Jason represents closely held businesses and public companies active in a broad range of industries, including the manufacturing, human resources consulting, telecommunications, engineering services, environmental consulting and services, food and beverage, pharmaceutical, mutual fund, and nursing and long-term care industries.

## RESULTS

- assisted in the representation of **Pacific Life** in the sale of its third-party credit asset management firm, Pacific Asset Management, LLC, which at closing managed over \$20 billion, to Aristotle Capital Management, LLC
- represented a publicly owned corporation in connection with the acquisition of the assets or stock of a related group of companies in the retail apparel and footwear product identification business with business entities and operations in the United States, United Kingdom and Asia
- advised a subsidiary of a publicly owned corporation in connection with the acquisition by merger of a provider of human resources consulting services and products in the United States and Europe
- represented a publicly held corporation in connection with the acquisition of a minority interest in two Korean corporations related to the settlement of a dispute concerning patents
- counseled the principal stockholders of a privately held corporation with subsidiaries in Ireland, Hong Kong and China that operated as a contract manufacturer and supply chain partner for original equipment manufacturers in connection with the sale of the stock of such corporation to a publicly owned corporation
- advised a publicly owned corporation in connection with the acquisition of the stock of an Israeli designer, manufacturer and supplier of high-speed data transmission products
