Christopher J. Zimmerman focuses his practice on assisting investment companies, investment advisers and boards on various federal and state securities law matters. Among other things, he advises investment companies and investment advisers with respect to their organization, registration and regulation. Specifically, Chris' practice includes assisting clients with registration and regulation of new and existing funds, board-related issues, fund restructurings, securities lending issues, soft dollars by investment advisers and the use of derivatives by investment companies.

RESULTS

Chris has obtained various exemptive orders from the SEC and has represented investment management clients in:

- fund adoption transactions, including the acquisition of advisory businesses
- internal fund reorganization and external adoption of mutual funds by other fund groups
- registration with the SEC
- connection with proxy statements for various proposals, including advisory and/or change-of-control changes, management of managers structure approval, fund structure and/or organization changes
