## COVID-19 Checklist & Considerations for Private Fund Advisers

With COVID-19 concerns and market volatility, advisers should consider compliance challenges that are likely to arise. This [COVID-19 Checklist & Considerations for Private Fund Advisers](#) highlights key compliance issues, questions and considerations with respect to the COVID-19 outbreak and government response. Please note that if an adviser does not document its compliance efforts, the Securities and Exchange Commission (SEC) will assume that such efforts did not occur. This checklist is not exhaustive and does not, for example, cover Commodity Futures Trading Commission considerations, which are discussed in a separate client alert.
